To Lynn Preparative Meeting of Friends:-

The finance Committee has met sevral times during the year and has succeeded in accomplishing some small improvement in financial matters.

The Forward Movement apportionment for this meeting has been all pledged with the exception of \$ 46.

In regard to the contributions for meeting expenses; We wish that we might impress the membebers with a sense of their individual responsibilit in the matter. There are at present 67 members and regular attenders who take envelopes; of these twenty never see the light of day again. Though, of course, it is possible that they give something through the loose change in the basket collections. Of the remining 47; 2 give 5 $\frac{1}{2}$  weekly 4-10 $\frac{1}{2}$ ; 2-15 $\frac{1}{2}$ ; 3-20 $\frac{1}{2}$ ; 13-25 $\frac{1}{2}$ ; 1-30 $\frac{1}{2}$ ; 4-35 $\frac{1}{2}$ ; 1-40 $\frac{1}{2}$ ; 1-45 $\frac{1}{2}$ ; 4-50 $\frac{1}{2}$ ; 1-65 $\frac{1}{2}$ ; 1-85 $\frac{1}{2}$ ; 10-\$1.00 making a total regular weekly contribution of \$20.70 or an average of 44 $\frac{1}{2}$  per contributor, which is a small average amount to be given thus. If to these 47 we add the 20 who take envelopes presumably with entirely good intentions to use them but who fail to do so we find that the average per person is reduced to 31 $\frac{1}{2}$  which is altogether too small. May we impress the members with the fact that this is THEIR meeting and that its responsibilities are theirs and that if they continue to derive from it the help and spiritual uplift that we think they must it is their duty to do something more substantial towards its support. This fact we wis wish especially to bring to the attention of those twenty who take envelopes but do not use them. May we start the new year with a firm resolution to aid the meeting by regular, systematic and generous giving towards the expenses of the meeting.

On behalf of the Finance Committee.
